

ST. STANISLAUS HIGH SCHOOL - SPORTS CLUB

23rd June 2014

Dear Parents,

I am sure you are aware that the School has been managing 'The St. Stanislaus Sports Club' since the past 3 years. The idea behind this project is to promote a healthy sports culture for all children irrespective of their sporting abilities.

This great opportunity is open to our children and regardless to say, we should make the best use of it. We want your child to enjoy his sport, enhance his skills, lead a healthy lifestyle and enhance his all round development.

We have appointed professional coaches for every sport. The children attached to the sports club will be given various opportunities to compete at different levels of his sport. This project is a year round activity.

We look forward to achieve great heights this year as well through your cooperation and child's participation.
