

The Gender Lab Boys Program 2019-20

The program aims to build a generation of boys and men who are self aware, empathetic and sensitive to gender issues. It engages boys of 13-14 years of age in a service learning program that works to enable critical thinking and question existing gender narratives.

St. Stanislaus High School

32 Boys , 6 groups

Impacted 190 people

Took up projects on Gender Based Discrimination, Violence, Gender & Media.

"We should respect a woman and a girl. We should not treat them like an object."

- Participant, TGLBP 2019-20
